PROFILE

Creative leader with ten years across the whole production chain — from cutting other people's footage to owning brand strategy, campaigns and a creative team. Built three brands from zero to market at Ujwala Group, taking them to ₹48L+ in sales inside six months; before that, directed content for India's first Mercedes-Maybach showroom, where multi-channel campaign work lifted showroom footfall 50%. Comfortable owning brand identity, performance marketing and creative production end to end, and fluent in the AI-augmented workflows that now decide what a small team can deliver. PROFESSIONAL EXPERIENCE

Founder | ProductionX

May 2026 — Present

Hyderabad, India

- Run an independent creative studio for early-stage and startup brands — content, branding and production, from positioning through delivery.
- Design and ship client websites end to end, including three live sites and a launch microsite for a residential development.
- Built an AI production pipeline that earns its place commercially: generated product and model imagery, and real-estate previsualisation that lets a sales team walk a buyer through a building before it is built.
- Own the commercial side alongside the creative — scoping, pricing, pitching and client relationships.

Head of Creative & Marketing | Ujwala Group

Nov 2025 — May 2026

Hyderabad, India

- Inherited inventory with no brand behind it — fashion, luxury furniture, smart-home products — and built three identities from scratch: 1UJ Fashion, 1UJ The International Hub, and the parent Ujwala Group.
- Hired and trained a five-person team across social, content and inventory, and set the creative operations they ran on.
- Took a 600+ SKU fashion catalogue and 150+ luxury and lifestyle SKUs from brand kit to a full Shopify launch.
- Ran Google and Meta campaigns that brought in 300+ qualified enquiries in the first four months.
- Generated ₹30L+ in luxury and lifestyle sales and ₹18L+ in fashion — ₹48L+ in total.
- Produced the entire e-commerce catalogue with AI — every garment through to the premium furniture line, including the Bugatti office, dining and bedroom ranges — holding a luxury visual standard across storefront, social and ads with no photo shoot behind it.

Content Producer | Mercedes-Benz Silver Star Hyderabad

Dec 2024 — Nov 2025

Hyderabad, India

- Led creative direction and execution for India's first Mercedes-Maybach showroom, holding the visual storytelling to a global luxury brand's positioning and the dealership's business goals at once.
- Produced photography and video across the Mercedes-Benz and Maybach ranges to the standard the marque requires.
- Worked with the Sales and Service Marketing GMs on multi-channel campaigns — social, print and WhatsApp — that drove a 50% increase in showroom footfall and lead conversion, and an 80% increase in service campaign engagement.
- Aligned content strategy with leadership's marketing and business objectives, supporting the dealership's position as a pioneer in India's luxury automotive space.

Independent Freelance Producer | Self-employed

Nov 2022 — Nov 2024

Hyderabad, India

- Contract video production and cinematography for corporate and commercial clients across automotive, hospitality, food and beverage, and events.
