PROFILE

Ten years in production, the last three running the brand as well as the film. At Ujwala Group I built three brands from nothing and took them to ₹48L+ in sales inside six months, hiring the team, running the Shopify launch and owning the ad spend myself. Before that I directed content for India's first Mercedes-Maybach showroom, where the campaign work put showroom footfall up 50%. I still shoot and I still cut. I also build the sites, run the ads, and use AI where it takes cost out, which is how a team of five ships like a bigger one. Looking for a Creative Head role.

PROFESSIONAL EXPERIENCE

Founder | ProductionX

May 2026 — Present

Hyderabad, India

- A small studio working with early-stage brands. Branding, content, production, and the site it all lands on.
- Three client sites live, plus a launch microsite for a residential development. I design them and I build them.
- Built an AI pipeline that pays for itself. Product and model shots with no studio booked, and property walkthroughs a sales team can show before the building exists.
- Scoping, pricing, pitching, invoicing. The commercial side is mine as well as the creative.

Head of Creative & Marketing | Ujwala Group

Nov 2025 — May 2026

Hyderabad, India

- Walked into a warehouse of stock with no brand on any of it. Fashion, luxury furniture, smart-home. Built three identities from nothing: 1UJ Fashion, 1UJ The International Hub, and the parent Ujwala Group.
- Hired five people across social, content and inventory, trained them, and wrote the process they worked to.
- Took 600+ fashion SKUs and 150+ luxury and lifestyle lines from brand kit to a live Shopify store.
- Ran the Google and Meta spend. 300+ qualified enquiries in the first four months.
- ₹30L+ in luxury and lifestyle, ₹18L+ in fashion. ₹48L+ altogether.
- Shot the entire e-commerce catalogue without a shoot. Every garment, then the premium furniture line including the Bugatti office, dining and bedroom ranges, generated and retouched to something that held up on the storefront and in paid social.

Content Producer | Mercedes-Benz Silver Star Hyderabad

Dec 2024 — Nov 2025

Hyderabad, India

- Ran creative for the launch of India's first Mercedes-Maybach showroom, inside the marque's guidelines and its sign-off chain.
- Photography and film across both ranges, to the standard the marque requires. 50+ campaign and delivery films directed and cut.
- Worked with the Sales and Service Marketing GMs on campaigns across social, print and WhatsApp. Showroom footfall and lead conversion up 50%, service campaign engagement up 80%.
- One service campaign brought in ₹14L of business inside a month. Grew the showroom's Instagram from 6,000 to 17,000 in eight months.

Independent Freelance Producer | Self-employed

Nov 2022 — Nov 2024
